

## INSTRUCTIONS to AUTHORS of ORAL CONTRIBUTIONS

Authors of accepted abstracts must give an ORAL PRESENTATION in a room indicated by the workshop organizers at **Parque de las Ciencias de Andalucía, Granada, Spain.**

For the presentation, the speaker's registration is required in advance. Registration will be open until **Monday, 9th October 2023.**

The room will be equipped with a PC with Windows 10 operating system and Microsoft Office 2019, projector and screen. Presentations cannot be made from a personal laptop.

The presentation should be prepared in PowerPoint, following a 16:9 format.

Use an appropriate number of slides, remembering that the presentation should last only 15 minutes, followed by 5 minutes for open questions to the speaker.

In order to avoid stretching out a tight two-day schedule, the presentation time will be strictly observed by the session chair. Therefore, a maximum of 15 slides is highly recommended.

If using a Macintosh to prepare your PowerPoint presentation, please ensure that it works on a *Windows 10* PC.

Videos must be embedded in the PowerPoint, not linked to a website.

Presentations as a ppt or pdf document must be sent to

[CBBI-21@ciemat.es](mailto:CBBI-21@ciemat.es)

well in advance, to be ready in the room on the day of the session.
